

2024 PENSACOLA GRAND MARDI GRAS PARADE RULES AND REGULATIONS

This year's parade will be for Saturday, February 10, 2024, beginning at 2:00p.m. LINE UP begins at 10:00! **ALL ENTRIES** will enter line up area at **Main and Spring.**

1. You must maintain complete control and take responsibility for your entire Krewe.
2. Motorized vehicle liability waiver on the vehicle application must be completed for each vehicle prior to February 10, 2024. If you are in a car or motorcycle club, make copies of the vehicle application and have it with you on parade day.
3. Parade begins at 2:00p.m. sharp! Entrants must be on their floats and ready to move.
4. **THROWS.** In keeping with Mardi Gras tradition, we ask all participants to provide some kind of "throw" (trinkets, beads, candy, promotional items, etc.) ALL throws must follow the City of Pensacola's Code of Ordinance. Please visit their site at <http://cityofpensacola.com>. Throws will not be allowed to be dropped off in the line up area. **No vehicles, other than official parade entries are allowed on the line up area.** Unauthorized vehicles cause a hazard in the line up area to not only the participants, but also pedestrians.

ALL PARADE PARTICIPANTS MUST WAIT UNTIL THEIR FLOAT IS AT THE BARRICADED AREA (GARDEN AND PALAFOX) PRIOR TO THROWING ANY ITEMS TO THE CROWD. NO ITEMS ARE TO BE THROWN IN THE LINE UP AREA (Line up area consist of Spring Street from South of Garden to Main Street.)

5. **WALKERS (SPOTTERS)** are mandatory for your float/vehicle. PMGI requires participants to have 1 walker per wheel (including pulling vehicle). The walkers are to maintain a position alongside the float/vehicle near the wheels and prevent participants and/or spectators from being struck or run over. Walkers must also be able to notify their driver of any problems that may require immediate action for the safety of all. Walkers are not allowed to carry or throw beads, but are allowed to hand off loose beads to the crowd. PMGI does not require a minimum age for walkers, but instead requires all walkers to be of sufficient age to appreciate the dangers of operating motor vehicles and parade floats in close proximity to people. It is the applicant's responsibility to ensure that all walkers meet these requirements.

6. **STRUCTURES.** The maximum built height can be no more than 13 feet above the street to accommodate the lowest traffic light. The maximum width recommended for your float is no more than 10 feet. The maximum length is 30 feet or less. The Parade route consists of a U turn at Wright and Palafox Streets and your float must be able to make that turn.

State law requires each operator of a towing vehicle be responsible for seeing that their trailer is property secured and safety chains are provided (Florida Statute 316.530).

All flatbed trucks or trailers must have secure solid railings or balusters with at least 42" above the float platform.

7. A minimum of one 5-pound dry chemical fire extinguisher of the multi-purpose ABC style is required on each float.

8. Entries are not allowed to stop on the parade route. NO COUNTER-MOTION! Stopping voluntarily on the route causes gaps and disruption in the flow of the parade. If it's determined your entry is engaged in this type of behavior, you will be asked not to return next year.

9. FOLLOW INSTRUCTIONS of Police and event volunteers (Marshalls) at staging and during and after the parade.
10. Maintain a minimum distance of 50 feet in front of your entry.
11. All drivers should be familiar with the maneuverability of their float/entry, be able to negotiate right hand turns and the U turn at Wright Street and be familiar with the parade route.
12. **ALL AMPLIFIERS AND PA SYSTEMS** must be sounded so as not to interfere with other musical units and bands during the line up.
13. **FLOAT RIDERS.** It is the responsibility of the float participant/sponsor/captain to arrange for pick up of float riders and throws. **No vehicles, other than official parade entries are allowed on the line up area.**
14. Pensacola Mardi Gras, Inc and the City of Pensacola are not liable for injury to parade participants or spectators; or for damage to floats; or for damage to vehicle and personal property. *(see rules #25 and #28)*
